TRASFORMATORI AD OLIO / OIL TRANSFORMERS

TRASFORMATORI AD OLIO / OIL TRANSFORMERS

VPI TRANSFORMERS

Transformers low voltage single and three phase, three phase transformers, isolating transformers filter chokes and inductance and inductances in air.

CAST RESIN TRANSFORMERS

Cast-Resin transformers for distribution, special applications, power converters, transformers marine and offshore application.

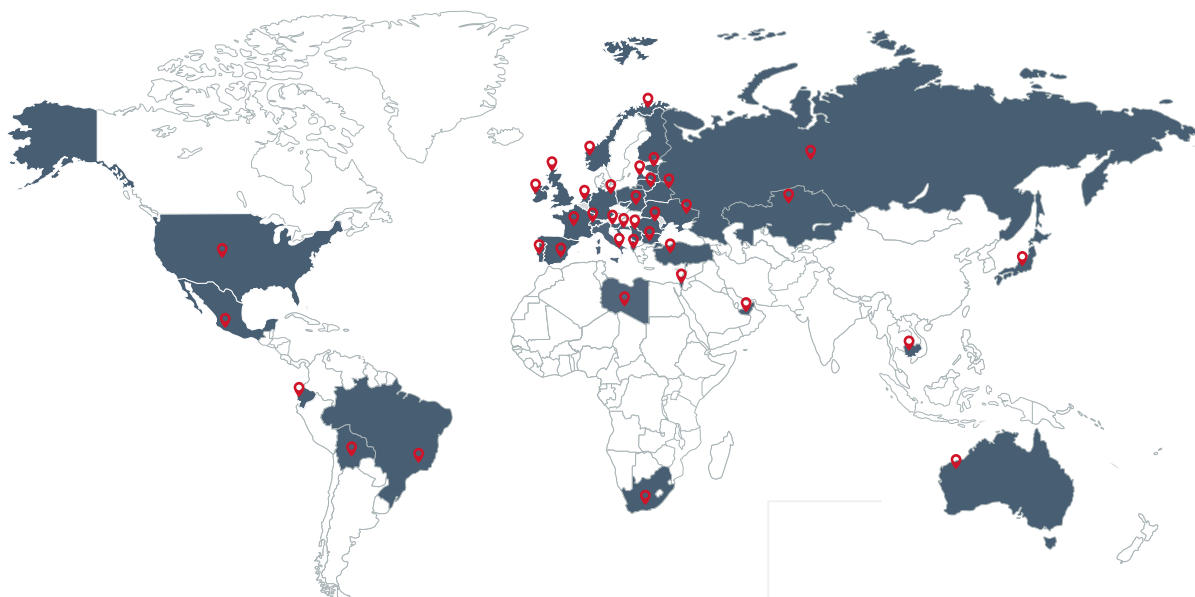

OIL TRANSFORMERS

Oil transformer distribution, oil-filled transformers for special applications, for marine and offshore application and for power converters.

TRASFORMATORI AD OLIO

OIL TRANSFORMERS

We have chosen FSC® paper, to guarantee that the entire supply chain comes from responsible sources.
